

# **ATTENTION: ALL CRABTREE PINES RESIDENTS**

**Pest & Termite Consultants, Inc. will be conducting the annual inspection of each home on the dates shown below to ensure that we minimize the destructive nature of termites, which can destroy the structural integrity of your home.**

**All residents including owners and renters must respond to this request. The inspection will only take 10-15 minutes. Thanks for your prompt response and cooperation!**

**You may schedule your inspection by calling pest & termite consultants at 919-870-8003 or you may contact the onsite inspector. The onsite inspectors will be driving blue trucks and the company name will be displayed on the vehicle. You may contact them while they are onsite, and they will schedule you immediately or setup a mutually convenient time to complete the inspection.**

**We need you to cooperate fully with the inspection. The security of your investment is at stake. Homeowners who do not have their homes inspected will be accepting the responsibility for future termite problems resulting from not having the inspection performed as requested. The contracted inspection is paid for by your association. Inspections that are scheduled after the following dates will cost each individual homeowner \$25.00.**
